Dear Friends:

Look closely into her eyes. Her fear and trepidation represents so many of the children in our care...children who have lost their families and homes by no fault of their own. They arrive scared and searching for someone to take care of them, to love them. Thankfully, there is hope for these children. With the generous support of community individuals and organizations, Children's Home Society of Florida serves more than 800 abused and neglected children *every day* in Brevard County through a range of services including support and guidance for new mothers and children through our Healthy Start program, case management to ensure the safety of children, adoption and foster care services to help children find their forever families, and safe shelter for teen girls at Hacienda Girls Ranch.

Our 2nd Annual Portraits of Possibilities event is scheduled for March 28, 2009, at the home of Dr. Robert and Mrs. Maria Seelman. All proceeds from this event will benefit Children's Home Society of Florida's Brevard Division and the children we serve. This elegant event showcases the creative community of Brevard, while sharing this message of hope for abused and neglected children. Highlights of this event are silent and live auctions that we plan to fill with fabulous artwork, gift baskets, jewelry, vacation packages and other items donated by local supporters. Will you consider donating an item to include in our auction? In return for your generous donation, we will recognize you in our event program and on event signage. Your contribution allows us to raise the funds needed to protect children in our community from abuse and neglect.

Enclosed is a form you may use to record your donation. Please complete the form and return to Children's Home Society of Florida. If you have questions, please contact us at the numbers listed below. Thank you in advance for your consideration and support of Children's Home Society of Florida!

Most sincerely,

Maria Seelman
